JavaScript's Last Turtle

Host, **Web Unleashed** Opening  
Party

Speaker, **FITC** lol computer y tho

Host, **DevTO** Int'l Women's Day

### 2018

Speaker, **Web Unleashed**: lol  
computer y tho

## EDUCATION

### McGill University

Bachelor's Degree  
English (Cultural Studies), Linguistics

## VOLUNTEERING

### T.O. the Good Swap

March 2022 – current

- ◆ Combatting textile waste in Toronto and advocating for sustainable and ethical fashion practices globally

## RELEVANT EXPERIENCE

### SENIOR FREELANCE INSTRUCTOR

**Juno College of Technology (HackerYou)**

**September 2019 – present**

- ◆ Maintained 90%+ positive rating from over 400 students across courses on vanilla JavaScript, React, HTML, CSS, and Firebase
- ◆ Tailored in-person and online lessons to students' weekly feedback
- ◆ Fostered inclusion among ESL students by conducting review meetings in Spanish

### SENIOR SOFTWARE ENGINEER

**HomeX**

**December 2019 – August 2020**

- ◆ Worked with GraphQL + TypeScript in my first 3 months to own and deliver user-requested app features on a 6-person team
- ◆ Advocated for accessibility (i.e. implemented keyboard navigation in the custom HomeX CSR portal)
- ◆ Cleared JIRA tickets 9% faster than KPI expectation in Q1 and Q2 2020

### SENIOR LEAD INSTRUCTOR + DEVELOPER

**Juno College of Technology (HackerYou)**

**April 2018 – September 2019**

- ◆ Domain and subject matter expert, reviewed over 80% of all lessons to update for accuracy
- ◆ Lead bootcamp curriculum content migration to a new CMS
- ◆ Spearheaded developer education internally (e.g. creating proofs of concept for new lessons on the Context API and building an API with Node, Express, and MongoDB)

### FRONT-END DEVELOPER

**Let's Build**

**June 2016 – April 2018**

- ◆ Worked with a distributed team to build innovative websites for brands including Hyperloop, Equinox, and HBO
- ◆ Led development on 3 WordPress builds from Illustrator and Sketch designs
- ◆ Researched and presented on competing CMS tools
